**COMB SAGE TEA IN LIFELESS, GRAY HAIR**

Look young! Common garden Sage and Sulphur darkens so naturally nobody can tell

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. When her hair fell out or took on that silver lined or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.

**A CONFIRMED STATEMENT**

Evidence Alliance Readers Will Appreciate

Doan's Kidney Pills have done splendid work in this locality. Have merited the unstinted praise they have received.

Here's evidence of their value that none can doubt.

It's testimony from this locality twice-told and well confirmed.

Such endorsements are unique in the annals of medicine.

Should convince the most skeptical Alliance reader.

George Busick, Gordon, Nebr., says: "I had a great deal of trouble from irregular passages of the kidney secretions and I also suffered from attacks of lumbago. Often the pain and lameness in my back was so acute that I was unable to stoop or do any kind of work. Doan's Kidney Pills cured me in a short time and the cure has lasted. I am glad to confirm the endorsement one of my family gave Doan's Kidney Pills in my behalf some time ago."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Busick had. Foster-Milburn Co., Props., Buffalo, N. Y.

## Killing Prairie Dogs

Is your land infested with prairie dogs? Is your range damaged and your crops endangered with this pest? For thirty-five years I have been killing these pests with a method of my own that does the work quickly and surely. My outfit will operate in western Nebraska during the coming season.

Anyone desiring the prairie dogs on their land killed should communicate with me without delay. My contract price for the work is only thirty-five cents per acre and I charge only for the ground that is infested with the dogs. I will sell the rights for this business for this part of Nebraska to any reliable person or persons.

Call on or write me at the Nebraska Rooming House, in Alliance. If I am not there you can see my representative. Or call at The Herald office and they will locate me for you.
